

CAMP INFO...

Based on information that parents provide to us, we tailor each camp to your child's needs. Our tutors incorporate techniques to teach to diverse learning styles (auditory, visual, and kinesthetic) with a lot of activity and movement! Games and activities are used to teach academic concepts.

Ratio of 5 students to 1 tutor.

July 19-23rd

Math Party: Dancing with the Numbers

Three age groups: Students entering 1st-3rd, 4th-5th, 6th-8th grades.

\$225 per student

July 16th-30th

Reading Rules!

Two age groups: Students entering 1st-3rd and 4th-6th.

Reading, writing, and language arts instruction based on popular kid's books.

\$225 per student

August 2nd-6th

Study Skills: In One Ear...And It Sticks!

Two age groups: Students entering 5th-8th and 9th-12th.

Based on the Learning Built to Last curriculum series, experienced teachers use our program combined with all the tricks they have learned over the years to best learn and retain information. Three age groups.

\$265 per student

August 9th-13th

Intro to the SAT

Designed for students who will be taking the PSAT or SAT this year, it is a taste of what to expect on the SAT test. We focus on strengths and weaknesses in terms of content and testing ability.

\$325 per student with \$100 off the full course in the fall.

Club Z! provides tutoring services in YOUR home, on YOUR schedule, using YOUR school's curriculum! We encourage a Tutor/School/Parent team approach to education to:

- explain current classwork
- review past subject matter
- pre-teach concepts
- address homework issues
- prepare for tests
- complete projects
- aid in organizational/planning/study skills.

Club Z! In Home Tutoring is a national company with 500 locations across the country. The Avondale Club Z! opened in November 2008 and we are proud to say that 70% of our new students come to us through parent, teacher, and guidance counselor referrals. It lets us know that we are truly providing our students with quality tutors and programming their sessions in ways that address their needs. We keep in close contact with teachers and parents and are constantly reviewing the student's strengths and weaknesses to best structure their sessions..
