14 Tips for a Successful School Year

As the new school year unfolds, the time is ripe to consider some important tips about creativity, productivity, and well-being so as to inspire parents and kids.

https://www.creativitypost.com/education/14_tips_for_a_successful_school_year

Do your kids have the skills to succeed?

Club Z! has developed an effective *Learning Built to Last™* study skills tutoring program that targets different learning styles and habits of students in grades 5-12, to help students develop lifelong study and organizational habits.

Our study skills program teaches your student how to listen, read, and study better. We focus on your student's own interests and experiences, which creates a more conducive learning environment.

Good study skills can increase your confidence, competence, and self-esteem. ... By developing effective study skills, you may be able to cut down on the numbers of hours spent studying, leaving more time for other things in your life. Good study skills can improve your ability to learn and retain knowledge.

6 Essential Skills for Reading Comprehension

Some people think of the act of reading as a straightforward task that's easy to master. In reality it's a complex process that draws on many different skills.

Reading comprehension can be challenging for kids for lots of reasons. Whatever the cause, knowing the skills involved, and which ones your child struggles with, can help you get the right support.

The six essential skills needed for reading comprehension are *decoding, sentence structure and cohesion, reasoning, background knowledge and working memory and attention*.

If you see your child struggling with reading, now is the time to get them the help they need to succeed. Call us today to setup a free consultation and learn how we can help.

Club Z! Tutors

What makes a Club Z! Tutor unique?

We get many compliments from customers about the quality, professionalism and impact our tutors make. So what do we do that's different from others? We start by searching for educators who have a passion for helping students succeed. They then go through a rigorous vetting process that includes a criminal background check, checking references, verifying education levels and then training. Only the best are selected to join our team! We get many candidates but not all successfully complete the process. You take your child's education seriously – and so do we by only getting the best. If you know someone who would like to join our team, refer them to us and if they complete the process, get a \$100 credit to your account or Amazon gift card.

▶ Did you know that every year Club Z! gives out over \$20K in scholarships to students from grades 6 -12? The great thing about these scholarships is – you do not need to be a former or current customer. Anyone can apply! For more information please contact your school's guidance department. If they are not aware of it, tell them to reach out to us at (845) 238-4585 to get application packets.

▶ Was last year difficult when it came to homework? Did you know that Club Z! offers an online homework portal for students to get help? Did you also know you can get it for free? If you are a Club Z! client and receive 3 hours of tutoring a week, homework help is free. If you receive less than 3 hours a week, homework help is still available and for just \$125.00 a month. This is a great service for those students who need help in between tutoring sessions.

This year Club Z! has introduced our new state of the art online tutoring system. This live tutor option is available for those clients who need tutoring but have busy schedules, difficult subjects and local tutor availability make it hard to get the help you need. For more information please call (845) 238-4585.

"Develop a passion for learning. If you do, you will never cease to grow."
